

Dorset and Wiltshire Ability Counts League

After a successful first season the Dorset and Wiltshire Ability Counts League came to a close at Stanley Park on 8 May. The Wiltshire County FA would like to congratulate all the teams who participated throughout the season; we could not have run the league without you. We would like to say a special Thank you to Todd Govan (Disability Officer Dorset FA) and also to Swindon Town Football in the Community for all their support and hard work in making this league happen.

There has been some fantastic football played with a real emphasis on having fun and playing the game we all love in a positive way. There have been so many close games in both the Championship and League. Swindon Leopards were crowned champions of the Championship while going the whole season unbeaten. The runners up spot went to Bournemouth & District Special Olympic. The League Division was won by Salisbury City A team with their B team taking second spot.

The League continues to grow with new teams entering the 2011/12 season. Both Counties are working hard on developing the league with the aim to provide football for all.

We look forward to seeing you all next season.
