

### U11 Boy's, Girl's and Small Schools County Football Finals

On Tuesday 26<sup>th</sup> January 2010, 23 teams took part in the U11 Wiltshire County Football Finals at Stanley Park in Chippenham. All five School Sports Partnerships from across Wiltshire and Swindon were represented in three different categories; boy's, girl's and small schools. Leaders from Sheldon and Hardenhuish Secondary School also attended the day to act as the match officials.

The day started with both the boy's and girl's competition splitting into two pools of 5 teams with round robin matches being played between the teams. At the end of all games, teams were placed in their league which determined who they would play in the second round of the competition. The afternoon session saw the teams play in the second round to determine their final finishing position in the competitions. At the same time, the small schools competition got underway.

In the end, the final of the boy's competition was between Wroughton and St Marks with St Marks coming out winners in a very close game, one goal to nil. The final of the girl's competition was decided by penalties with Holy Rood finally overcoming Broadchalke winning by two penalties to nil. The small schools competition was won by Lydiard Millicent.

Many of the matches on the day were closely fought with some very good football being displayed as well as some good sportsmanship being shown. Special thanks also go to the leaders from Sheldon and Hardenhuish who were very good at officiating the games. St Marks, Holy Rood and Lydiard Millicent will now represent Wiltshire at the regional finals being played in March. Wiltshire County FA representatives who attended the Finals wish those teams progressing into the Regional Finals all the very best and an enjoyable day of football.

#### Final Positions

<b>Position</b>	<b>Boy's</b>	<b>Girl's</b>	<b>Small Schools</b>
